# Danubius Bubbles Club

Our child-friendly hotels feature pool activities, excursions, lots of games, and fixed children's programmes. There is even a 100% discount for children of all ages, from infants to teens!

## Happy kids, relaxed parents!

While the children are blissfully occupied, the parents may take advantage of our spa pools, or pamper themselves with a soothing massage. Meanwhile, the kids can be happily entertained by the Danubius Club Dragons.

## Fixed programmes for young children and teenagers from morning till night:

Fun competitions of speed and skill both in the pool and on dry land are regularly organised:

- treasure hunts
- cowboys and Indians
- children's Olympics
- painting a pirate ship
- balloon twisting
- modelling quirky animals out of clay
- blowing giant bubbles
- any number of clever and brain-teasing puzzles
- nightly Bubbles Mini Disco.

Every child will find an appropriate dragon playmate and programme for themselves. All they need to do is follow the bubbles... where there are bubbles, there are dragons!

## HÉVÍZ

- ↳ Hévíz is a globally renowned spa town just a stone's throw from Lake Balaton (the biggest inland lake in Europe).
- ↳ Lake Hévíz with its 4,5 ha water surface is the world's second-largest natural thermal lake – and the largest that is suitable for bathing.
- ↳ The hot springs feeding the lake are rich in sulphur, radon and therapeutic minerals, while mud dredged from the lake bed is used for medical and wellness packs and other rejuvenating treatments.
- ↳ Bathe at any time of year – come rain, shine or snow! The water temperature varies between luxurious 33 and 35 °C in summer, while even in the depths of winter it never drops below 23 °C – meaning you can wallow in comfort as the snow falls all around.

## TIPS & PROGRAMMES

- ↳ Pay a visit to the 13th-century Romanesque church at Egregy and the surrounding picturesque vineyards, before taking a walk around the village in the shade of white alders.
- ↳ Sample a refreshing glass or two of the local wine in an atmospheric hillside cellar.
- ↳ Admire the imposing neo-Baroque Festetics Palace, which is one of the country's best-preserved aristocratic mansions.
- ↳ Explore Kis Balaton National Park, a protected wetland that harbours thousands of nesting birds, and is a haven for bird watchers and anglers alike.
- ↳ Take to the water with a romantic cruise on Lake Balaton, affectionately known as the "Hungarian sea".

## SPA BÜK

- ↳ Watch the sunset in the distance over the foothills of the Alps – this spa is just 50 km from the Austrian border on the road to Vienna!
- ↳ One of Central Europe's most celebrated mineral-water springs and the region's most popular spa complex.
- ↳ A lucky find! The 58 °C thermal spring was discovered by chance when prospectors were drilling for oil in the 1950s.
- ↳ A perfect spot for golf nuts, with a spectacular and atmospheric 18-hole championship course.

## TIPS & PROGRAMMES

- ↳ Climb up the 17m high Crystal Tower near the hotel and enjoy breathtaking adventures on three levels
- ↳ Discover the Sunshine child paradise. Whether it's sweltering hot or freezing cold outside, the playground, SpinFrizz roller skating rink, Zorb Ball and many other activities are guaranteed fun for the whole family.
- ↳ If you're after a little culture, take an excursion to the Roman ruins at Szombathely, the archaeological excavations at Velem or the historic castle at Kőszeg, which withstood a sustained siege by the Turks in 1532.
