WELCOME TO HUNGARY

Located at the heart of Europe, Hungary has long been renowned for its hospitality. The country offers a blend of its own colourful traditions and cultural influences drawn from all over Europe.

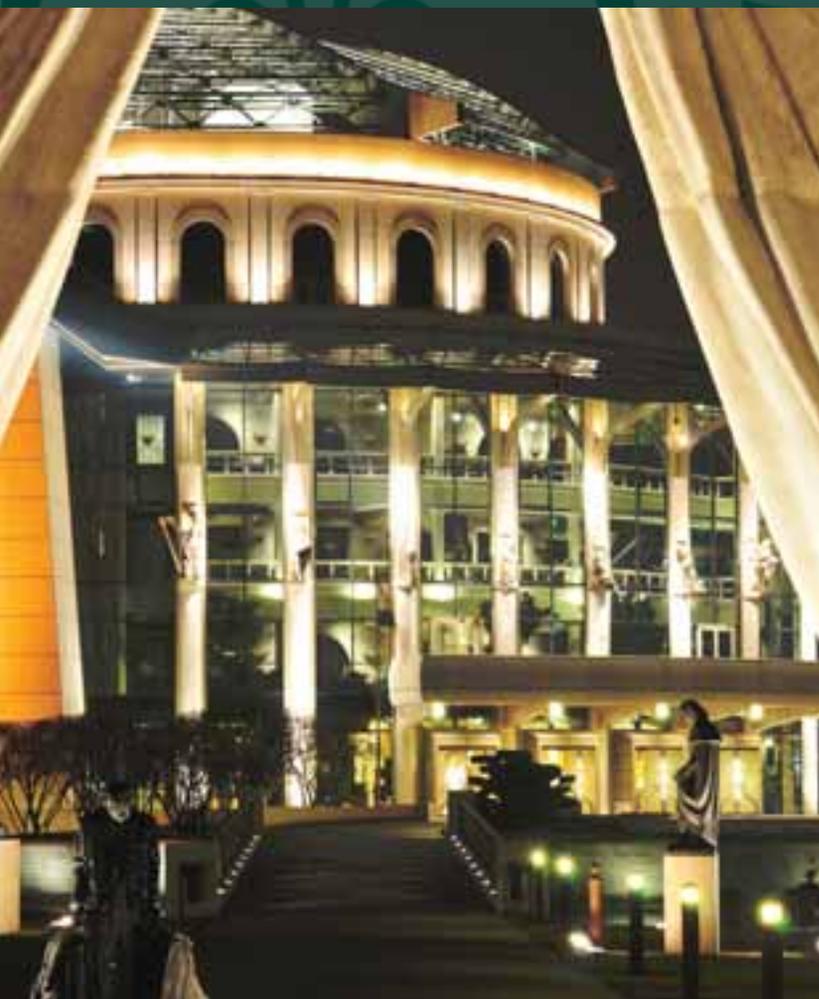

Visit the land of Baroque palaces and cobbled streets. Sample its outstanding cuisine; browse wonderful works of folk art by master craftsmen; and don't miss the chance to taste some great wine served by friendly and vivacious hosts. A visit to Hungary is an experience never to be forgotten!

Take a journey back in time by exploring the enchanting spa and historical towns of western Hungary. Bask in the sun at Lake Balaton – the country's very own 'Riviera' – which inspired Beethoven's Moonlight Sonata. Ride horseback with the herdsmen on the prairies of the Great Plain, and immerse yourself in the exciting, vibrant attractions of Budapest.

WELCOME TO BUDAPEST

One of the world's great capitals – a magnificent city on the Danube that combines past-century charm with modern comfort and vitality.

Stroll the atmospheric Castle District, visit the Roman amphitheatre, and admire other breathtaking landmarks including Europe's largest Parliament building.

Take advantage of some of Budapest's 100 thermal springs – more than any other capital city.

Lie back and luxuriate in an original 16th-century Turkish spa or enjoy a warming dip in the Széchenyi, Gellért or Lukács baths.

After a busy day, relax in a classic coffee shop or a lively bar.

GETTING TO BUDAPEST

By air: Budapest

(Ferihegy) International Airport / BUD is 16 kilometres south-east of downtown Budapest, and 26 km from Danubius Hotel Helia. The Airport minibus is a popular and reasonably priced means of transport between the airport and the city.

By car: Of the five

motorways and four main roads in Hungary, eight start from Budapest. Drivers must buy a motorway sticker for the motorways M1, M3, M5, M6 and M7 (available at border crossing points and petrol stations).

By rail: Budapest

has three main international railway stations: Eastern (Keleti), Western (Nyugati) and Southern (Déli). More than 50 trains a day provide direct links between Budapest and 25 other European capital cities. Trains to Vienna run every three hours, seven times a day.

BUDAPEST – GREAT VENUES

Budapest brims with character, colour, excitement and many off-premises venues for your large-scale events. Decide the type of event you want, and we will find you the ideal space in which to host it.
