*A vibrant and exciting metropolis*

Budapest, the 'Pearl of the Danube'. Be charmed by a tale of two cities: Buda is a place of rolling hills and shady woods, while bustling Pest holds the lion's share of shops, restaurants and bars.

The Danube sweeps through the heart of the capital, affording lovely views from elegant Buda Palace.

- Prepare to screw your courage to the sticking post and take to the Hungaroring race track (home to the Hungarian F1 Grand Prix). Alternatively you can have fun charging around the adventure park in a go-kart or on a quad bike.
- Relish an evening's performance at the exquisite State Opera House. The 19th-century Opera House promises a unique opera experience with private performances hosted for exclusive large parties.
- Enter the Puszta Olympic Games! Compete against your friends and colleagues in some rather unusual 'sports' – such as barrel riding, pitching the pitchfork, swamp trekking, hunting for the needle in the haystack and tossing the straw bale.
- Trabant Rally! For those who relish challenges, rally-driving in the legendary East German 'rolling soap dish' is sure to be an unforgettable experience!
- The renowned Gundel Party Service guarantees to lay on fabulous events in wonderful locations – be it the exhibition hall of a museum, a boat on the Danube or in the elegant Opera House.

- Take a romantic cruise to the picturesque Danube Bend, and visit the pretty towns of Visegrád and Esztergom.
- Pop off to play a round of golf at one of the excellent nearby courses.
- Go back in time and witness medieval tournaments in historic castles.
- Prepare for a thrilling day at the Hungarian Formula 1 Grand Prix.
- Explore the great outdoors with a cross-country horse ride or a peaceful sightseeing trip in a hot-air balloon.
- Spend an afternoon wine tasting under the guidance of qualified experts.
- Get a taste of the Austro-Hungary Monarchy kitchen on our nostalgic train. Enjoy the romantic journey into the past with delicious food, musical delights and period costume.

400 km (4.5-hour drive) from Bucharest,  
550 km (7.5-hour drive) from Budapest.

## Incentive ideas

- Rock climbing challenges both body and mind and is an ideal way to aid personal development.
- If you're up for a challenging, adrenaline-filled experience, why not swap good old terra firma for the open water. The River Mures provides excellent white-water rafting facilities.

## Programmes not to miss!

- Make your way to Sighisora and pay a visit to the atmospheric medieval city centre with its citadel and clock tower. You can eat at the Dracula restaurant and buy intriguing paintings from the street vendor.
- Don't miss out on shopping in Corund, famous for its pottery.
- Stop to admire the beautiful Red Lake (Lacu Rosu), with its many stumps rising from the water, and Bicz Gorges – the most spectacular gorges in Romania, with rock walls rising to 300 m.
- Make an excursion to the Valley of Nyárád and enjoy delicious fresh trout prepared on the spot. It tastes best with garlic sauce!

# DESTINATION SOVATA

Be seduced by the beauty of forested peaks, lush and undulating valleys, and sparkling streams.

Spend a pleasant time in Parajd, close to Sovata, where the underground children's playground and ecumenical chapel of the salt mine provide fun, shelter and healing for those with respiratory problems.

*Transylvania, the land 'beyond the forests'*

Explore the beauties of Transylvania, which include high-roofed wooden churches, exceptional architecture and folk art, medieval towns, mysterious castles and a colourful history.

*Lake Bear, the miracle of nature*

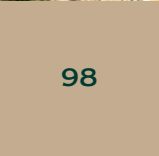

Take a relaxing bath in the soothing water of Lake Bear – which was formed when a salt mine collapsed in 1875. You can float easily on the surface of the water because of the high concentration of salt.

Wander among the thermal ponds dotted around Lake Bear, each with a different healing property.
